Re: Westrock Services, Inc.  
Case 10-CA-195617

Dear Mr. Turner:

This is in response to Counsel for the General Counsel's Motion to Partially Withdraw Opposition to Motion to Dismiss filed in the subject case on January 9, 2018. The request to withdraw the argument that the NLRB's administrative law judges are employees, not "inferior officers,"<sup>1</sup> is granted, and will not be considered by the Board.

Very truly yours,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
